DS-1LH1S2C mini RG59 Siamese Cable

Feature and Function

- Mini RG59 Siamese cable：one coaxial cable and two-core power cord

- Compatible with all CCTV analog systems, transmitting video and power simultaneously, saving wiring and no latency

- Work for 4K/5MP/4MP/1080p/720p, AHD/CVI/TVI/CVBS security CCTV system

- High-purity oxygen-free copper conductor material, featuring excellent transmission performance, easy to install，less construction work

- Flame retardant PVC sheath for weatherproof indoor and outdoor use

- Pre-made cable BNC and DC power connectors, fast connection for camera and back end equipment

- Compliant with RoHS 2.0

Specification

Model	DS-1LH1S2C
Coaxial Cable	

Conductor	Material	oxygen-free copper
	Wire Gauge	28 AWG
	Diameter	7*(0.12± 0.008)mm
Insulation	Material	Foam PE
	Diameter	1.6 ± 0.03 mm
Tape	Material	Aluminum foil
	Lapping	bonded
Braid	Material	CCAMX
	Braiding Standard	32*(0.12±0.008)mm
Impedance		75 ohms
Jacket	Material	PVC
	Average Thickness	≥ 0.2mm
Power Cable		
Conductor	Material	CCA
	Wire Gauge	24 AWG
	Diameter	7*(0.20± 0.01)mm
Insulation	Material	PVC (red, black)
	Diameter	1.0 ± 0.05 mm
Jacket	Material	PVC
	Average Thickness	≥ 0.2mm
General		
Length		10/20m
Diameter		2.8*5.6 ±0.1mm
Color		Black
Operating Temperature		-20 ~ 60 ℃
Storage Temperature		-10 ~ 50 ℃
Flame retardant		VW-1

Available Model
