

BNC Female to Screw Terminal Connector

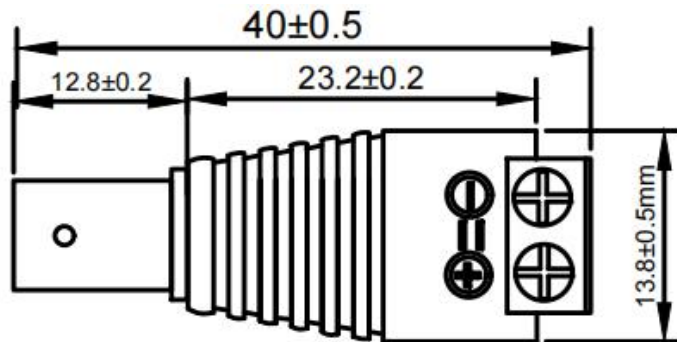

Model: TT-BNC306

Specifications:

- Gender: BNC female
- Terminal: Screw type
- Characteristic impedance: 50Ω
- Frequency range: 0~2GHz
- Insulation resistance: 10MΩ
- Wire Size: 28AWG-16AWG
- Operating temperature: -20°C~70°C

Diagram

No.	Designation	Material
1	BNC female plug	Zinc alloy
2	Female surface	Nickel plated
3	Contact metal	Brass
4	Insulation	PC
5	Black plastic	PVC
6	Red terminal	PA
7	Metal shrapnel	Steel
8	Screw	Iron
9	Screw surface	Nickel plated
